ADDENDUM No. 1 **DUMPSTER/ROLL OFF CONTAINER RENTAL AND SERVICING** **(ANNUAL CONTRACT)** **RFB No. 23-0016**

Use the form provided in the solicitation to acknowledge receipt of this addendum. Failure to do so may result in your submittal being deemed non-responsive and not receiving further consideration for award.

Vendors are informed that the above subject solicitation is hereby modified, corrected, or supplemented as specified, described and set forth in this Addendum:

I. QUESTIONS/RESPONSES

Question 1: Is there a minimum number of hauls per month?

Response: Per the General Scope, Page 1, servicing will be on an “as needed” basis.

Question 2: Is it possible that containers will sit in place without a haul for more than 30 days?

Response: Public Works: The covered containers for recycling during the holidays may sit in place for more than 30 days, if not filled to capacity.

Civic Center: No

Question 3: Can all open-top containers also have side doors? Is there a reason that a container cannot have side doors?

Response: Public Works: Yes

Civic Center: Open-top containers can have side doors.

Question 4: For the covered containers during the holiday, will tarps be ok?

Response: Public Works: No. The covered containers will have cardboard, which can not get wet. Refer to Attachment A for pictures of covered containers.

Civic Center: Tarps are acceptable.

Question 5: What is the process if unapproved or hazardous materials are found in the containers?

Response: Public Works: Such materials are to be set outside of the container. Public Works will dispose of them.

Civic Center: Such materials are to be set outside of the container. Civic Center Staff will dispose of them.

Question 6: What is the process if containers are overfilled and illegal for transport?

Response: Public Works: Hauler is to notify Public Works, who will make load legal for transport.

Civic Center: Staff will need to be advised of what containers are overfilled. The “overfill” will then be transferred to an empty container or to their dump truck, to be disposed of later.

Question 7: Who are your current contractors for this roll off service? What is their contract value and when was their contract awarded?

Response: The most recent contract was awarded on April 28, 2020, to Containers by Reaves (Phenix City, AL). The initial contract term ran May 26, 2020 - May 25, 2022 and was not renewed. The approximate contract value was \$11,978.32.

Question 8: Will you hold an on-site or virtual pre-bid meeting to discuss the requirements, current concerns and expectations about your requirement?

Response: There is no pre-bid meeting scheduled for this RFB.

Question 9: Is this a calendar year contract? In other words, when does the performance period begin?

Response: There is no contract for the services in place currently. The initial term will begin once a contract document has been fully executed by the City.
